PARAGRAPH ORGANIZATION

Directions: Each sentence below, when put in the correct order, would make a well organized paragraph. Decide what should be the correct order of the sentences, then answer the questions that follow.

21.
(1) Is this the love that poets rave about?
(2) Is it also the love that will last forever and ever?
(3) Am I in love?
(4) If she can answer these, she is ready to make a decision that will affect the rest of her life.
(5) These are some of the questions that many a girl has asked herself.

A. 3-2-1-5-4
B. 3-1-5-2-4
C. 3-1-2-5-4
D. 3-1-2-4-5

22.
(1) Most of this material which we call ash, stays behind after the fire burns out.
(2) When we burn fuel such as wood, oil or coal, the fuel combines with oxygen in the air to form gases that escape into the atmosphere.
(3) Some of it, however, is carried aloft by the hot gases of the fire and adds to the volume of smoke produced.
(4) In addition, most of the fuels contain a small amount of various substances that do not burn.
(5) But most of the burning we do is far from perfect, so tiny particles of unburned fuel escape up the chimney in the form of smoke.

A. 2-5-3-4-1
B. 2-3-5-1-4
C. 2-3-5-4-1
D. 2-5-4-1-3

23.
(1) This mere mechanism of reading becomes altogether automatic at an early period of life.
(2) You will often find yourself reading words or characters automatically, while your mind is concerned with a totally different subject.
(3) This can be performed irrespective of attention.
(4) In as much, neither can I call it reading when it is just to extract the narrative portion of a text from the rest simply for one's personal amusement.
(5) To read the characters or the letters of the text does not mean reading in the true sense of the word.

A. 5-2-1-3-4
B. 3-5-1-2-4
C. 2-1-3-4-5
D. 5-3-2-1-4

24.
(1) An example of job sharing would be for one person to work mornings, and the other to work afternoons.
(2) The people sharing the job might be two friends, a husband and wife, or two employees who did not know each other before sharing a job.
(3) If the job were complex, the two sharers would have to spend some overlap time discussing the job.
(4) Job sharing is a modified work schedule in which two people share the same job, both usually working half-time.

A. 1-2-3-4
B. 4-2-1-3
C. 4-1-2-3

25.

(1) In the Philippines, the population boom has derailed efforts to make the benefits of economic growth trickle down to the grassroots. Thousands of new people are born on our planet every day.
(2) With the population galloping toward the 100-million mark, the Philippines will be among one of several developing nations leading global population growth in the coming years, according to the United Nations.
(3) With limited resources and economic growth failing to keep pace with the population boom, this means more people getting an ever-shrinking share of the pie.
(4) This has been a problem in previous administrations and remains a problem of the Aquino government, despite sustained economic growth since 2010.
(5) This is true both in the Philippines and around the planet, whose resources cannot meet the demands especially of the poorest segments of the 7.2 billion population.

A. 1-2-3-4-5
B. 4-2-3-1-5
C. 2-3-5-1-4
D. 5-3-2-1-4

26.

(1) The interior space has been modeled to echo the Thai characteristics of warmth and hospitality, especially more evident nowadays in quaint resorts and provincial guesthouses.
(2) There are several decorations and framed images that reflect the culture of local hill tribes.
(3) Starbucks on Langsuan is the first ever community store in Asia and outside of the United States.
(4) It is difficult to miss this Starbucks from the outside. Amid imposing office buildings and business hotels lies this almost humble looking structure designed in the traditional style of a Thai home.
(5) It is easy to notice its unmistakably Thai roof and gable which might give one the first impression that it was an antique Thai house (if not for that signature Starbucks logo prominently placed on the facade).

A. 4-5-1-2-3
B. 3-4-5-1-2
C. 3-5-1-2-4
D. 4-3-5-2-1

27.

(1) To alleviate the struggle of keeping children from attending school, the government, together with the parents, must work hand-in-hand to achieve sustained learning.
(2) Next, the government will have to devise schemes, apart from the cash transfer, to assist parents in keeping children in school, possibly with the assistance of the private sector and multilateral institutions.
(3) Adult literacy programs can also be promoted to inculcate the value of continuing education among parents with limited formal schooling.
(4) Parents will also have to set aside their own funds for their children's kindergarten expenses, in addition to saving up for expenditures in higher grades.
(5) Micro-lending schemes for education and entrepreneurship can be developed.
(6) First, providing free kindergarten is laudable but is an additional strain on the limited national appropriation for education.

A. 2-1-4-3-5-6
B. 1-6-2-4-3-5
C. 5-6-4-3-2-1
D. 1-6-4-2-5-3
